Aman,
12/6/42.

My dear Dr. Rifa Bey Effendi;

I thank you most sincerely for your letter of the 10th May, 1942, which I received some time ago and which I apologise for not having been able to answer before now. I am extremely sorry to hear that you were not well; but I don't agree with you that you are getting old. Colds have been very frequent in Aman too and if you get a cold at any time you must not say that the cause is old age!

Please accept my sincere thanks for your good wishes on my appointment as
"Minister of Interior & Education"
I know how kind you are and how good news about me
(P.T.O.)

please you always. You might also like to know that I am now a "Pasha". I assure you that we remember you always, and we all look forward to seeing you again and again here. So, if you can do it, please do not hesitate to visit us soon with Madame to whom I ask you to kindly convey the 'salaams' and respects of all the family here.

I am glad to know that you are working on a book and I hope you will reap its fruits not before long.

With kindest regards and respects to both Madame and yourself, I remain,

Your friend,

Farid
